

Science Technology Innovation Creativity 'K'onference (STICK) Summer Camp 2018

3rd to 11th July 2018

With STICK2018: 11th – 15th July 2018

“

*Science is simply the word we
use to describe a method of
organizing our **curiosity**.*

- Tim Minchin -

About STICK Summer Camp 2018

STICK Summer Camp is a 2-weeks English Summer Camp in collaboration with STICK 2018. It will be held in Malaysia and Singapore. Participants will engage in hands-on science related activities that will boost their creativity and at the same time, improve their spoken English. We have prepared a variety of science modules that includes Forensic Science, Cool Chemistry, Aerodynamics and Fun Science. These modules will be supplemented by various site visits as well. In addition, participants will also attend an enriching day of University Visit. Apart from that, participants will enjoy authentic Malaysian cuisine and gain more knowledge about the culture as well. Following that, participants will transfer to Singapore where STICK is held annually.

STICK 2018

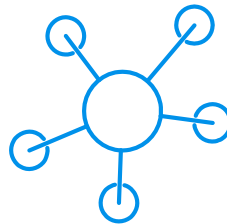

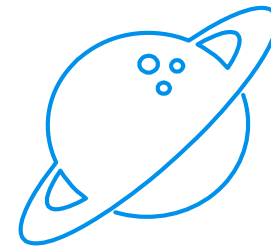

The aim of this conference is to give students from ASEAN countries the chance to take a look at old problems in their communities with new perspectives and find a way to solve them. Participants will learn to come up with innovative ideas that can help to change the lives of people in their communities, even with limited resources.

Students will experiment on 3D Printing, 3D Pen, Aerodynamic, and Rocket Science and Invention classes. By giving them the opportunity to see that “Science is Fun” through these experimental activities, they would understand and appreciate better the field of science and technology.

These challenges are empowered by our professional partner, Whizz Kidz, an educational support service provider to schools, centres, and other organizations with the aim of making science exciting and fun through hands-on experiments and demonstrations.

ITINERARY

*Subject to change

Day 1: 3rd JULY – Tuesday

Time	Activity
PM	<p data-bbox="795 654 1514 868">Arrival in Kuala Lumpur, Malaysia Putrajaya Cruise Tour Dinner Check-in to accommodation</p> 

Day 2: 4th JULY – Wednesday

Time	Activity
AM	Breakfast English lesson Lunch
PM	Science Session/Workshop Dinner Da Vinci's Movie Night

Day 3: 5th JULY – Thursday

Time	Activity
AM	Breakfast English lesson Lunch
PM	Science Session/Workshop Dinner Astronomy Night 

Day 4: 6th JULY – Friday

Time	Activity
AM	Breakfast English lesson Lunch
PM	Science Session/Workshop Dinner KLCC Musical Fountain / Cultural landmarks

Day 5: 7th JULY – Saturday

Time	Activity
AM	Breakfast English lesson Lunch
PM	Science Session/Workshop Dinner IOI City Mall – Free&Easy 

Day 6: 8th JULY – Sunday

Time	Activity
AM	Breakfast Check out of accommodation Transfer to Melaka
PM	Lunch Historical/Cultural Tour in Melaka Duck Tour / 3D Art Gallery Transfer to Johor Bahru Check in to accommodation

Day 7: 9th JULY – Monday

Time	Activity
AM	Breakfast Transfer to University for workshops Workshop Lunch
PM	Creativity and Innovation Workshop Dinner
